Mr. William Webster  
Chairman of the Board  
New England Electric System  
441 Stuart Street  
Boston 16, Mass.

Dear Bill:

During our last telephone conversation, you asked for one of the Webster Panel notebooks which has been used through the years.

With very little trouble, I found one with your name on it and am sending it forward promptly as a small reminder of the very large service which you performed for this Agency and the country.

Sincerely,

  
Albert D. Wheelon  
Deputy Director
